OG

OLASENI GBENGA
WEB DEVELOPER

OBJECTIVE

My biggest dream is to build an interactive website and as a result I have taken time to learn and practice the tools required. I am always eager to learn new tools and ready to help solve problem.

SKILLS

HTML5, CSS3, JAVASRIPT

EXPERIENCE

GRAPHICS DESIGNER • BUNS MEDIA • 2020 – 2021
I created brand identity and also created social media posts.

EDUCATION

BSC BIOCHEMISTRY • 2018 • UNIVERSITY OF IBADAN

PROJECT

I created the web site with html, css and jquery. The link to the site is in the bracket {https://papiloski.github.io/}
